## ACKNOWLEDGEMENT

*"In the name of Allah, The Merciful, The Beneficent"*

Thanks to Allah the Almighty, whose has given me the opportunity and allowing me to complete this project paper successfully.

This project paper is prepared to fulfill the requirements of the degree of the Bachelor of Business Administration (Honours) Finance of the faculty of Business and Management, University Teknologi MARA, Machang Campus.

First and foremost, I would like to express profound gratitude and special thank to my advisor for FIN650, Puan Imani Mokhtar for her continuous guidance, advice, comments and constant support through the period of study in order to ensure this project paper can be complete on time. She is an excellent advisor.

I am also grateful to the staff of UiTM Machang library for their helpful guidance and co-operation for the completion of this project paper.

My gratitude also goes to my parents, lecturers and my fellow friends who had supported and gave good encouragement during the two years pursuing my bachelor's degree.

Thank you

## **ABSTRACT**

This project paper is prepared in partial a fulfillment of the degree of the Bachelor Business Administration (BBA) (Honours) Finance. For this purpose, I have selected a topic entitled, “ A Study on Danaharta strategies in resolving The Non-performing Loans”.

The purpose of this study is to enable the readers to understand the non-performing loans concept and to know the Danaharta's strategies in order to solve the non-performing loans. Besides that readers also get some knowledge about the economy and financial situation in mid- 1997 where Malaysia faced the economic crisis.
