## **APPRECIATION**

*Assalamualaikum wbt.*

*Alhamdulillah* offered to Allah SWT for the blessings and guidance of my art can complete this thesis as quickly as possible. This success is the support and encouragement from various parties who have contributed much energy and moral support.

I would like to take this opportunity to express my sincere gratitude to my thesis advisor, Mr. Mazlan Mustapha and second advisor Mr. Irwan Othman and also all lecturers in the Department of Textile, Faculty of Art and Design, which has provided counseling, guidance, criticism and patience throughout the solution of this project. Not to be forgotten a huge thanks to my mother and father as well as my beloved family for their assistance and encouragement which is very useful.

Last but not least, thank you also for my friends in arms, which always give their opinions with the hope that together we can achieve success. Insha'Allah. Without the encouragement and support from all of you, it is difficult for me to complete this study successfully. All the sacrifice and discipline will not be forgotten. My hope that Allah SWT will reply all the kindness to all parties who provide help in the success of this theses.

Aamin
