ANAKKU

Anakku which means "My Child", is a home grown brand and household name that is simple yet meaningful. The brand is widely accepted by parents of all races as evidence by Anakku's position as a market leader in the baby products industry in Malaysia. Besides, it also wide range of baby products, built on a strong, solid foundation of premium quality, safety and reliability, are found in most department stores and major retail chains as well as its very own boutiques. It all began with a passion to create and facilitate expressions of love to babies by its founder in 1973, when Anakku started manufacturing and marketing a wide range of basic baby apparel.
