BUDU CAP KETEREH

Budu Cap Kereh factory started operations in 1978. Factory manager, Hj Ismail got the idea to make budu because there were too many anchovies. Here are also many opportunities for Hj Ismail to make budu. Budu were very famous among people in East Malaysia. Wholesalers from other state and even oversea also come to pick up their own budu in the factory to send to retail suppliers. There are three variation of budu which is Budu Original, Budu Lada and Budu Pati Ikan Bilis. Budu can be eaten with rice and a lots of vegetables , thus can increase appetite.
