EJL CANDLEBAR

Ejl candlebar established since 2017. Ejl candlebar specialises in personalized candles for events and special occasions. Ejl candlebar is a premium candle because it has a scent that follows the seasons. In every purchase usually include a candle care card made on tips on how to get the most out of your candle. This company once collaborated with the most famous company which is Crush Cosmetics. Many influencer bought a candle from this brand and this company only use media social as their platform.
