

Webinar Series 3/2021 - A Global Perspective on Online Learning

SHARIFAH SHEHA SYED AZIZ BAFTIM

Akademi Pengajian Bahasa, UiTM Kampus Kuala Pilah

The third webinar organized by Universiti Teknologi MARA Negeri Sembilan, Kampus Kuala Pilah titled “A Global Perspective on Online Learning” was held on Wednesday, 16th June 2021, involving students from two universities as guest speakers. Representing Universiti Teknologi MARA Negeri Sembilan, Kampus Kuala Pilah as guest speakers were Nurul Allia Binti Abdul Malik (Degree in Science & Food Technology) and Nur Tasnin Athirah Binti Faizul (Diploma in Textile Technology) with Sofea Jasmine Binti Mohd Zahiruddin (Diploma in Microbiology) as a reserved guest speaker. Two guest speakers from Universitas Pahlawan Tuanku Tambusai were invited, namely Selvi Oktafia (Degree in Nursing) and Aziza Oktavia (Degree in English as a Second Language). The one-hour webinar was held through the use of Cisco Webex and APB Kuala Pilah Youtube channel with Ms Siti Nur Dina Mohd Ali as the Moderator and Ms Fatin Nabila Abdul Razak as the Master of Ceremony.

This webinar acted as a sharing session for the students to voice out their ideas on online learning as this is a common issue across the countries that are affected by the Covid-19 pandemic. The guest speakers touched on many different aspects including the challenges they faced in online learning and ways in overcoming-

the difficulties they encountered in the process. They mentioned that online learning has affected many students physically and mentally. On the positive side, the speakers also mentioned the various skills that they have acquired during their online learning process. They also shared some ideas on how to increase students' motivation level when learning online.

Overall, it can be concluded that the perspectives shared by speakers from both universities are similar, and this is an issue that is affecting students globally. The webinar has received positive responses from the participants as it succeeded in reaching out to students and assisting them in coping with online learning in the future.
