ACKNOWLEDGMENT

In the name of Allah, Most Beneficent, Most Merciful. Alhamdulillah. All praised to Allah S.W.T for giving the will and strength so that I can complete this project successfully.

First of all, I like to express my gratitude and sincere appreciation for friends and to those who had gave me their hands in completing my final year project.

Then, a person who give her guidance and support in helping me during the completion of this project, my project supervisor Puan Ros Shilawani Bt S. Abd Kadir.

My appreciation also goes to Associate PM Zunairah Hj.Murat for her advice and idea that helped me during the completion of this mission. Moreover, I like to give special thank to Puan Rosnah Kassim, Puan Aisyah Hartini Jahidin, Encik Sahrin Lias, Encik Zodie Mohamed Hanafiah, Encik Norizam Sulaiman, Cik Roshakimah Mohd Isa, who assisted me at Biomedical Research Laboratory for Human potential.

Then, not forget who were willing to participate as samples and my fellow friends, present and past, for their support and commitment.

Next, my deepest appreciation goes to my parents and family for their love, understanding and encouragement and being source of my inspiration.

Thank You

Noor Aini Bt Aziz

ABSTRACT:

This research is focused on effect of drinking Zamzam water to human body using RFI. Water is vital for all known form of life. Like others water, Zamzam water also colorless and no smell but it contain sodium chloride that making it taste salty. Muslims believed that Zamzam water are very beneficial for health. 30 female students who are from Mawar College Universiti Teknologi MARA, Malaysia are chosen as a sample. The measurement is taken before and after the student drinking 200ml of the Zamzam water. Seven points for health level region was measured. The frequency measured will be converted to aura color interpreted based on health interpretation. The results show that after drinking of Zamzam water, 80% of the samples improved their body aura score while only 20% of the samples maintain their body aura score. Therefore, there is evidence that drinking Zamzam water will improve the body aura.
