### Welcome to the latest member of the APB Fraternity!

APB has a new family member and he is none other than Mr. Muhammad Usamah Bin Mohd Ridzuan. Mr. Usamah received both his Bachelor's and Master's Degree from Université de Franche-Comté, majoring in Teaching French as a Foreign Language. Although he has served the department on a part time basis in the past, having him on board as a permanent staff member gives us immense pleasure. On behalf of the department, *Welcome to the family, Mr. Usamah!* We believe you will be a great asset, and we really look forward to working with you!
