### Prayers & Wishes

by Dr Nur Ilianis Adnan

Keep on praying for  
Anything you desire  
Because He listens

When you truly want  
Prayers will be tagged along  
With your crystal tears

She who likes wishing  
Will always find wishing wells  
Till wishes granted

She who is flying  
Needs whisper from The Mighty  
To know where to fly

Don't ever give up  
Standing and waiting for the  
Glimpse of shooting stars
