## ACKNOWLEDGMENTS

First of all, I am grateful to The Almighty God for giving me the strength to complete this study. The study would not have been possible without the assistance and guidance of Madam Farah Ahlami binti Mansor, who not only acted as my supervisor but also become one of the main resources in completing this study. I also would like to extend my sincere appreciation to all the staffs at Pejabat Tanah dan Jajahan Pasir Mas Kelantan especially my supervisor, Mr. Muhammad Amin bin Abdullah, Executive Officer of Management Service Division, Madam Norisa binti Rashid, Chief Clerk of Management Service Division and Madam Rosenani binti Rashid, Clerk of Management Service Division who gave off their time to offer their suggestion, brilliant ideas and thoughtful comments that help me to finish up this study. For deepest understanding, internal support and encouragement either in terms of money and time, I am truly thanked to my family who stand by my side in doing this study all this time. Besides that, I also would like to thank my classmates for giving their contribution of ideas and suggestion while performing this study. I am thankful and full of bless to have all of them in my life and I only could say thanks to them for all the kindness.
