Bagi penerbitan eInfoDiscovery@Library Vol. 5/2021, Perpustakaan Cendekiawan Kampus Dungun membawa para pembaca untuk menyingkap beberapa peristiwa sejarah di daerah Dungun, Terengganu, yang sudah kian hilang dibawa arus permodenan. Sejarah negara sememangnya membawa kita mengenal asal-usul sekaligus menanamkan sifat cintakan bangsa dan setia kepada negara yang kita cintai ini.

The digital exhibition consists of several pages:

- Pengenalan (Introduction):** Discusses the region of Dungun, its location, and its emblem. It mentions that the region was established in 1975 and is one of the five administrative regions of Terengganu.
- Sejarah Awal Dungun (Early History of Dungun):** Describes the early settlement of the area, mentioning the arrival of immigrants from Indonesia and the establishment of the first school in 1911. It also mentions the discovery of oil in the area.
- Lambang Daerah (Regional Emblem):** Shows the emblem of the region, which is a blue square with a white crescent and star, and a white banner with the Malay word 'DUNGU'.
- ITM Kampus Dungun (ITM Campus Dungun):** Details the history of the institution, starting from its establishment in 1975 as the Institute of Technology MARA (ITM) Kampus Dungun. It mentions the first building, the first principal, and the first students.
- ITM Kampus Dungun (ITM Campus Dungun):** Shows photos of the campus, including the main building and a building named 'DUNGU TERBUKA MARA TERENGGANU'.
