

JEWELLERY BOX

Jewellery Box inspired by the beautiful and iconic architecture of Malacca Sultanate Palace Museum in Malacca.

The building is a modern reconstruction of the palace of the Malacca Sultanate. Based on the information, it is made up of hardwood (for its structure), 'belian' wood (for its roof) and wooden pegs (instead of nails) and was constructed in 1984 and became a cultural museum which showcases the history of the region.

The museum was officially opened on 17 July 1986 by Tun Mahathir Mohamad.

After going through a deep research, the final product are develop, redesign based on the original architecture.
