About The Book

This book is a compilation of summaries that describe the programmes that have been run by the academics and students at the Faculty of Education, Universiti Teknologi MARA. The main objective of the programmes is to create a platform for the faculty members to take part in social innovation projects in the local community. More importantly, the programmes also complement the students' regular class experience as they also can learn a range of skills that can make them more active socially and entrepreneurially.

Definition of social innovation:

Social innovations are new ideas that meet social needs, create social relationships and form new collaborations. These innovations can be products, services or models addressing unmet needs more effectively.

What

English Please! 2.0 (2019) is a one-and-a-half-day English language based programme with sessions involving language-related games and activities. This programme is also a re-run of the previously successful organization of English Please! 1.0 (2018) with SK Kampung Idaman.

Who

The programme involved tertiary student facilitators and primary student participants from

- i) ETSA: Ethos! TESL Student Association, Faculty of Education, UiTM Cawangan Selangor, Kampus Puncak Alam.
- ii) Students of SK Kampung Idaman, Pelabuhan Klang, Selangor

When

15 - 16 November 2019

Where

Sekolah Kebangsaan Kampung Idaman, Pelabuhan Klang, Selangor.

Story

A team of 30 ETSA facilitators accompanied by Ms. Munirah Mohd Izam, as the officer-in-charge, met up with 105 SK Kampung Idaman students for a successful one-and-a-half-day English language based programme. The programme English Please! 2.0 included three major sessions: i) ice-breaking session, ii) 'small games' session, and iii) 'big games' session. The atmosphere throughout the programme showcased positive expressive outbursts and energies as well as laughter of 'purposeful fun'.

Beneficiaries/ Stakeholders

The ETSA facilitators were exposed to the elements required in the planning, organizing, and the management and running of events in school. The participants from SK Kampung Idaman, on the other hand, were allowed the opportunity to confidently immerse themselves in facilitated English language games and activities.

Key lessons

English Please! 2.0 propagates the concept of 'purposeful fun' through a selection of finely curated English language games and activities. The ETSA facilitators are presented with the challenge in designing and curating English language games and activities that are suitable for the Malaysian primary and secondary school landscapes. The ETSA facilitators efforts are in turn benefitted by the schoolchildren participants as they were able to experience, practice and enjoy the English language games and activities with lesser inhibitions and mounting confidence.
