INTRODUCTION

Teenage people sometimes have lack of awareness about STDs both on developed and developing country.

Because of this there should be a fun and better way to introduce people the danger of STD.

OBJECTIVE

Creating a game with STDs theme that fun and challenging while able to tell and narrate the danger of STD Indirectly.

PURPOSES

While can narrate and told the danger of STDs it also can attract people in general because of the gameplay and pleasing style of graphic that the game present.

It also to introduce people to the infamous indie and platforming game genres.

DESIGN CONCEPT

the game was created using of dynamic pixelated style that mostly adopted with indie game genres. the game view is a semi side scrolling using 3D coloured flat asset to give more depth to the game.

for the artstyle its using a bit gory-detail and simplified pixel style.
