## **ACKNOWLEDGEMENT**

In the name of Allah, the Most Compassionate, the Most Merciful

Praise be to Allah the Al-Mighty for giving me the strength and patience to complete this study within the period given.

I wish to express my sincere gratitude to my advisor, Madam Ruziah Binti A.Latif, for her continuous encouragement, invaluable suggestions, patient guidance and supporting me with kindness, sympathy and academic enthusiasm. Her forceful comments and meticulous directions were a constant source of inspiration to my research that immensely improved the quality of this project paper.

I also would like to extend my gratitude to my family for all their support morally and financially also for all their encouragement throughout my studies and during this research study.

Not forget, great appreciation go to the rest of my friends that help me from time to time during the research. The whole research really brought us together to appreciate the true value of friendship and respect of each other.

Apart from that, I hope that all the information and data that I have gathered here will increase the knowledge of anyone who will be accessing it regarding the study on the “An investigation of various factor influencing on export in Malaysia”. It would be a great honor to us if it is used as a reference or for any other good cause.
