MAINTENANCE MANAGEMENT ON PUBLIC FACILITIES
BY LOCAL AUTHORITIES

Dissertation submitted in partial fulfillment of the requirement for the award of
Bachelor of Building Surveying (Hons)

PREPARED BY: EDDIE ZULKARNAIN B SAID (2005738063)

ACKNOWLEDGEMENT

First and foremost all praises to Mighty Allah S.W.T. The Most Gracious and Most Merciful for the strength and blessing throughout the entire research until the completion of this dissertation.

I would like to express my gratitude towards my supervisor Sr. Ellemy Iskandar Bin Khalid for his guidance, invaluable knowledge and support for this dissertation. Without him, this work might not be done successfully.

Hereby, I would like to express my deepest thanks to En. Saiful and En. Burhan, supervisor and technician at Majlis Bandaraya Shah Alam, En. Badrul b. Buang, assistance technician at Majlis Perbandaran Klang for their cooperation and support towards the success of the dissertation.

I also like to give my deepest appreciation to my family and friends for their moral and spiritual support. Last but not least special thanks to those that directly and indirectly contributed towards the progress of this dissertation.

Thank you.

ABSTRACT

As we know, many people lived in cities. On behalf of that, cities should have a complete facilities accommodation within it. Among them are the recreation parks that have many uses for outdoor activities. Recreation parks can gives human satisfaction, which they can have fresh air while doing many beneficial activities with family and friends. These outdoor activities also increase the social among human.

Many recreation parks nowadays have been built to fulfill the demand of the people. With the presence of other utility equipped at the park it can increase the economy of the country because of the tourist; local or international visit many recreational parks in this country.

There are many recreation parks based or back to the basic which involves the nature source for instance trees, lake, flowers and other nature sources. And so of that, development has taken place at the said areas which it needs to be maintained for public uses day by day.

In short, this dissertation will study on the Maintenance Management on public facilities by Local Authorities and it is hoped that author can come out with rationale solution and recommendation regarding the study area.

TABLE OF CONTAINS

CHAPTER ONE

INTRODUCT ION

1.0	Introduction	2
1.1	Objective	4
1.2	Issues	5
1.3	Scope of study	8
1.4	Methodology of Research	9
1.5	Collection of Data	11
	1.5.1 Secondary data	11
	1.5.2 Primary data	11
	1.5.3 Data Analysis	12
1.6	Conclusion and recommendation	12
1.7	Chapter summary	12
	1.7.1 Chapter One	12
	1.7.2 Chapter Two	13
	1.7.3 Chapter Three	13
	1.7.4 Chapter Four	13
	1.7.5 Chapter Five	13

CHAPTER TWO

LITERATURE REVIEW

2.1	Facility	15
2.1.1	Types of facility	16
2.1.2	Design of facility	16
2.1.3	Number of facility	16
2.1.4	Design of facilities	16
2.1.5	Satisfaction of facilities needs	17
2.1.6	Compile a detailed database	20
2.1.7	Determine the condition of the facilities	21
2.2	Management	22
2.2.1	Different levels of management	22
2.2.2	Good qualities for a general manager	23
2.2.3	Basic element of Management	24
2.2.4	Planned preventive maintenance	25
2.2.5	Organizing	28
