MONSTERA

LOUNGE CHAIR (FURNITURE DESIGN)

Design Advisor : MR ABU BIN AB. HANIFA

Monstera lounge chair involves several functions to show users when they want to use a lounge chair for working time. The basic posture of a seat that is most common is for office workers must learn how to take care of their own comfortability of seating when working. This lounge chair requires office workers to properly use, function and comfort of seating posture. Apart from that, the users have to use this lounge chair in a proper way.

The design objectives of the Monstera lounge chair are to design a lounge chair that has an extra feature in it, and at the same time providing a fresh look of nature. In this Monstera lounge chair design, there has a sliding cup holder, and adjustable armrest and headrest. Meanwhile, from the aesthetic point of view, Monstera lounge chair is a unique modern lounge chair that characterizes from the monstera plant which will suitable for office room.

The purpose is for office workers, when they want to rest after having a hectic day of work. The novelty of this lounge chair can be viewed from its structural, which using the combination of several materials, such as fabric, wood, and metal. While the seat looks like a monstera leaf laid on a dual material structure. This lounge chair also adapts to a leaf color scheme that comes in three colors which are Lime Green, Beigi, and Alpine green.
