Bismillahirrahmanirrahim. Peace and blessings be upon Nabi Muhammad S.A.W. Thank God all praises and gratitude is to Allah S.W.T, for enabling us to have successfully completed this research. It was a challenging experience during completing this research for us. However, fortunately we had the help of many parties that made this project less difficult. With hope and patience, we put into this project, we managed to face the problems and barriers with full commitment.

We want to give credit to the University Teknologi MARA Sabah Campus Kota Kinabalu for giving us the opportunity to gain knowledge and a lot that we have learned during our studies there, thank you for that opportunity. For our beloved supervisor who is also Coordinator Program AM228 Dr. Hj. Zuraidah Zaaba, we want to put big appreciation to you for all your advices and knowledge given along completing this research, we are very proud to have a lecturer and supervisor like you because have worked very hard to give a commitment to make it easier for us to undergo research studies smoothly. On this occasion we would like to apologize if we have committed any mistake knowingly or unknowingly during this research progress. Things do not always go as expected or planned, sorry and thank you so much.

Finally, special thanks go to our parents and our siblings for giving moral support, not tired of giving words of encouragement and also gives financial support to us. Indeed, our performance was influenced by them because they are the source of our strength

ABSTRACT

The purpose of this study is to investigate the qualification required to enroll in teacher training college and to find out the consistency qualification requirement of the teacher training college in Malaysia. The issues are when a teacher training college has stopped recruiting KPLI. The research was conducted in two (2) in Institut Pendidikan Guru Kampus Kota Bahru, Kelantan and Institut Pendidikan Guru Kampus Tawau, Sabah. The sample population was 234 respondents using the questionnaire. Descriptive statistics were used in the analysis of data, Cross-tabulation analysis used to show the answer given by the respondents. The data using the statistical procedure of a social system (SPSS) which can bring meaningful and can be interpreted. The data were collected from primary and secondary data. Whereas it was useful in term of understanding and the accuracy of the information gained. From the researcher finding found that there were no consentency in qualification required to enroll in teacher training college in Malaysia.

Table of contents

Declaration	i

Acknowledgement	iii
Abstract	iv
List of Abbreviations	vii
List of Table	ix
List of Figure	x
CHAPTER 1: INTRODUCTION	
1.1 Introduction	1
1.2 Problem statement	6
1.3 Research objectives	7
1.4 Scope of the study	7
1.5 Significance of the study	8
1.6 Definitions of terms/concepts	8
CHAPTER 2: LITERATURE REVIEW & CONCEPTUAL FRAMEWORK	
2.1 Introduction	13
2.2 Conceptual framework	38
CHAPTER 3: RESEARCH METHOD	
3.1 Introduction	39
3.2 Research design	39
3.3 Sampling technique	40

3.4	Sample size	40
3.5	Measurement/Instrumentation	40
3.6	Unit of analysis	42
3.7	Data collection	42
3.8	Data analysis	43

CHAPTER 4: FINDINGS AND DISCUSSION

4.1	Introduction	44
4.2	Respondent Demographic Profiles	45
4.3	Sections Evaluation: Section B, Section C and Section D	48
4.4	The ASEAN Country Ranking in Education Performance	73
4.3	Frequency, Mean, Standard Deviation and Variance	76

CHAPTER 5: CONCLUSION AND RECOMMENDATION

5.1	Conclusion	83
5.2	Implication	85
5.3	Recommendation for Future Research	86
5.4	Limitation of the Research	87
