Mohd Faizal Bin Md Jani. This programme was launched by Dr. Ahmad Nazib Bin Alias, Head of the Faculty of Applied Sciences, UiTM Perak Branch, Tapah Campus, with the aim to share their experiences and challenges as motivation for the FSG students. The panels shared on how they succeeded with the struggles and obstacles in managing their working lives.

This programme was also aimed to expose the students on the application of the science skills and techniques to increase their confidence at the workplace. Besides, this programme also showed how committed the alumni in giving back to the UiTM community. This meaningful sharing session has created awareness among FSG students and inspired them not to give up on their future goals and dreams.
