ABSTRACT

This study is conducted to assess the knowledge and awareness of halal product about food among UiTM Dungun Students. Foods that are free of pork, alcohol and other things such as blood whether it is extracted or not are prohibited to eat in Islam. Islam also has the requirements that needed to be fulfilled such as a way of slaughtering, animals' condition must be good and the tool for slaughtering must be sharp. Research instrument for this research is questionnaire that is distributed to 120 respondents in UiTM Dungun students to collect data. Quantitative method is the methodology for this research. Moreover, the result will be analysed in the form of frequency, percentage and mean. The analysis results shows that the level of mean for questionnaire is in high level which is 4.49. At the end of this research, the researcher recommends to other researcher to further this research via questionnaire or interview. The respondents can be from all states so that the researcher can make comparison about halal based on respondents' level of knowledge and awareness.

ACKNOWLEDGEMENT

Firstly, I wish to thank Allah for giving me the opportunity to embark on my Diploma and for completing this long and challenging journey successfully. Allah gives me strength and patience during the process of this research. Prophet Muhammad also I appreciated. He brought the teachings to Muslim around the world.

My gratitude and thanks go to my supervisor Dr Wan Helmy Shahrman Wan Ahmad. Thank you for the support, patience and ideas in assisting me with this project. I learned so much from him which resulting this excellent research. It has been a great pleasure to have him as my supervisor.

My appreciation goes to the respondents of UiTM Dungun students who participated in this research. They provided the cooperation during sampling. Special thanks to my colleagues and friends for helping me with this project.

Finally, this thesis is dedicated to the loving family which is the one who give me the courage to complete this research. It would not be possible to complete it without the support from them. This piece of victory is dedicated to both of my parents. They provided the facilities for me to complete this journey. Alhamdulillah.
