Universiti Teknologi MARA**

**JANUARY 2013**

## **ACKNOWLEDGEMENT**

*Assalamu'alaikum warahmatullah wabarakatuh.*

Praise to Allah for giving us the strength to complete the thesis project for this semester. Even though there were a lot of obstacles, but I was able to finish this report. Special thanks and appraisal for my main advisor (Mrs Junaiza Bt Ahmad Zaki) and second advisor (Miss Hannani Bt Abdul Latiff) for the guidance and helpful suggestion. Thank also for Miss Caroline Joseph (lecturer at language department) because spend time to correct the grammar of this thesis.

Also, to Project coordinator (Prof Madya Dr. Wan Mohd Nazri Bin Wan Abd Rahman), who always show the right way, in perform a good thesis report. And then, thank you very much for all staffs, for their help in preparing all the tool and material needed. Also, thanks to all friends who always give the support to me in order to complete this thesis.

Finally, my special gratitude to my beloved parents and family for their support throughout my period of study. Hopefully, your supported will bless by god. Your presences were appreciated.

## **ABSTRACT**

### **MULTIPURPOSE TABLE USING KNOCKDOWN CONCEPT**

This study was conducted to investigate the importance of multipurpose furniture using knockdown concept. The data was analysed based on the questionnaire that had been distributed to 60 correspondences. Most of correspondent give positive feedback to the material used, space saving multifunction concept, suitability of product to everyone and marketable of the product. Overall, the multifunction table using knockdown concept is well accepted by most of the correspondence since it provides benefits to the consumers.
