

RURAL SCHOOL ENRICHMENT PROGRAM 2018 (RESAP2018)

The Rural School Enrichment Program 2018 (RESAP2018), a programme jointly organised by UiTM Seri Iskandar Architectural Student Body (Archisa), the High Achiever's Club of UiTM Seri Iskandar, and Sekolah Kebangsaan Seri Kaya (SKSK) Bota, was successfully held in October and November 2018.

This programme was officiated by Ahmad Tarmizi Mohd Jam, Parit Parliamentary Coordinator, in the presence of the Headmistress of SKSK, Farahdila Abdul Seman, representative of Central Perak District Education Office, Taufik Md Eudin and Head of Architecture and Building Department, UiTM Perak Branch, Sr. Dr. Yuhainis Abdul Talib.

The main objective of this programme was to tackle issues related to lack of passion and interest towards learning among rural area students. Throughout the programme, the participants were introduced to Green Approach and Engaging & Developmental Approach methods as strategies to enhance the participants' level of passion and interest in learning. Various modules equipped with multiple activities were employed by the facilitators to achieve the objectives.

Among the modules introduced were Basic Self Module, Self-Improvement Module, and Success Module. The introduction of these modules were mainly aimed to spark the learners' interest to learn and to pave their way for a brighter future as well as to develop positive characters in the effort to improve the quality of their lives. In fact, all the modules prepared for the programme were satisfactorily completed by the participants.
