

CAREER PROSPECTIVE: ASK YOUR ALUMNI

On May 4, 2019, Persatuan Siswa-Siswi Sains Matematik (PERSIK) had organised a career talk called the Career Prospective: Ask Your Alumni to help the students to identify their self-potential and skills required for future job seeking. A total of 85 students of Diploma in Mathematical Sciences were involved in this programme which was held at UiTM Perak Branch, Tapah Campus. The two alumni invited were Miss Shezrin Hawani Binti Amir Hamzah, a Financial Advisor of Prudential Wealth Planner and Miss Maizatul Akmar Abd Rahman, a banker from Maybank.

The programme started with a sharing session where both speakers had shared their experiences in the industries. It was an interesting session as the students were able to gain insight on the career path. From this programme, students also learned that besides maintaining good grades in the university, they also need to improve their soft skills especially communication skill to ensure their place in the industry. Both speakers were grateful for the opportunity given and wished for another programme in the future.
