

EMBA ACADEMIC Visit to University of Canberra Australia

A group of MBA students of part 2 and part 3 went on an academic trip to University of Canberra, Canberra, and University of New South Wales, Sydney.

At the University of Canberra, several sharing sessions were held with faculty's members from the university and guest panellists from the Australian National University, government officials and the Deputy High Commissioner of Malaysia in Australia. During one of these sessions, the part 3 students also presented their Applied Business Research proposals to obtain feedback from the guest panellists. They had the opportunity to meet YBhg Dato' Sudha Devi, the High Commissioner of Malaysia in Australia.

The visits also allowed the exchange of ideas and experience between the MBA students and lecturers from UiTM with the faculty members and students from both Australian universities. It has paved the way for both parties to have collaboration in teaching and learning, research and consultancy between UiTM and University of Canberra. The visits were a great success as UiTM is committed in creating links and partnerships with international academic establishments, enhancing students' learning experience as well as aiding their successful development.
