ODL WEBINAR SERIES

Prepared by Norul Fadhilah Ismail & Mahfuzah Mahayadin

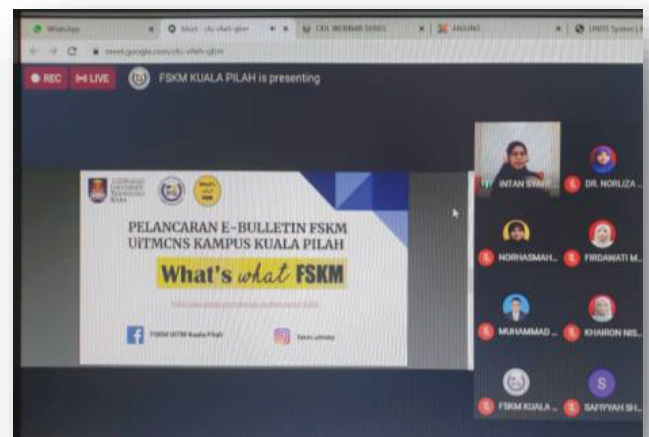

FSKM KP has organised an ODL Webinar Series on 2-4 September 2020 during FSKM Digital Week. There are five series of ODL Webinar that successfully run during the week namely

- 1) Google Form: Creating and Grading Online Assessment
- 2) Microsoft Teams: The Introduction
- 3) Jamboard: Collaborative Digital Whiteboard with Google Meet
- 4) Interactive Teaching and Learning using EdPuzzle
- 5) How to Connect your Device to Smart TV using WiFi Dongle?

The webinars have been recorded using google meet application and FSKM UiTM

Kuala Pilah Facebook Live that takes two hours for each sessions.

The objectives of this program are to share the informations and knowledge among staff at UiTM Negeri Sembilan and others in using Google Forms and Google Slides interactively for the purpose of building online questions and to produce an effective teaching aids using Microsoft Teams and EdPuzzle.

Besides, there are demonstration on the use of WiFi Dongle to connect the devices like smartphone and laptop to Smart TV.

This program has received a very encouraging response among UiTM staff and most of them are satisfied with the programs and it is very useful in teaching and learning process especially through Open and Distance Learning (ODL) during this pandemic COVID-19.
