ACKNOWLEDGEMENT

The researcher would like to express our thanks and feel grateful to Allah S.W.T for blessing and allowing this work to be completed successfully. First, we would like to say our deepest appreciation to all those who had provide us the possible facilities in completing this report. To performing our assignment, we had asked help and guidelines of some respected knowledgeable people, who deserve our greatest gratitude. Therefore, the researcher would be very delightful once the assignment is completed.

In addition, we would like to appreciate Madam Noor Ashmalia Binti Noor Ashraff whom our lecturer for this course as a person that gave us useful guideline for our assignment throughout numerous consultations.

Moreover, appreciation goes to our informants who were willing to spend their times with us in sharing fully compact information regarding our assignment title. There have been many people involved in this research especially our classmates and our team members who have made valuable comment and suggestions in improving our assignment. Finally, the researcher thank to all the people for their help either directly or indirectly in completing our assignment.

ABSTRACT

In this research, we are discussing about authoritarian leadership in Middle East country. In addition, it is also about how the Middle East government controlling the media in their country. We will begin with a discussion of what is the effectiveness of authoritarian leadership in controlling the media at Middle East countries towards Malaysian society. Next, we also discuss the relevant of authoritarian leadership in controlling the media at Middle East countries. Furthermore, we have discussed about what are the disadvantages of authoritarian leadership in controlling the media at Middle East countries towards Malaysian society. Lastly, we are using qualitative method when doing this research.

Keywords: authoritarian, leadership, Middle East, country

Authoritarian: Demanding that people obey completely and refusing to allow them freedom to act as they wish.

Leadership: The action of leading a group of people or an organization, or ability to do this.

Middle East: Region in western Asia and northeast Africa that includes the nations on the Arabian Peninsula, Egypt, Iran, Jordan, Lebanon, Syria and Turkey.
