ADE494: CURATORSHIP

Course Name (English)	CURATORSHIP APPROVED
Course Code	ADE494
MQF Credit	3
Course Description	This course aims to introduce students with basic principles, approaches and strategies in art curatorship. Considering art and design curatorship as a creative practice, this course will also discuss curatorship in relation to artists, public spaces, museums, galleries, larger urban settings, physical and virtual spaces. At the end of the course, students should be able to understand basic principles, approaches and strategies in art curatorship and write a curatorial essay on a chosen theme for an art exhibition.
Transferable Skills	To develop a keen interest in the related field by exploring new insight of understanding, analyzing and interpreting information. Students are acquired to write an assignment with a most comprehensive and systematic writing skill. Such written documentation will be elaborated through a clarify oral presentation.
