Roll the Camera & Shoot! is a video contest competition organized by the Cybermath club in collaboration with the FSKM UiTM Kampus Kuala Pilah. The purpose of the competition is to highlight the students' artistic abilities as they produce multimedia goods using the most up-to-date computer software. It is an important step toward creating a generation that not only uses cutting-edge technology but also fosters a culture of original thought. This online competition is open to UiTM Cawangan Negeri Sembilan students from 28 March to 28 July 2022.

A total of 42 students from UiTM Kampus Kuala Pilah had participated in this competition. The participants had the chance to win the YouTube Most Liked Award by promoting their videos on 12 -13 July 2022.

The names of the winners and runners-up were announced on the website Roll the Camera & Shoot! on 28 July 2022 and each participants and winners had received a certificate.

As a conclusion, this competition has achieved its goals and objectives which are to increase students' creativity in the production short videos and at the same time highlight the hidden talents of students as well as foster self-confidence and students' interest in the use of multimedia software.
