RESEARCH PROJECT IN LIBRARY AND INFORMATION SCIENCE

**MEDICAL LIBRARIAN IN A GOVERNMENT HOSPITAL: THE ESSENTIALS OF
KNOWLEDGE AND SKILLS.**

MOHD AIDEL BIN ABDUL MAJID

2009443274

**IN PARTIAL FULFILLMENT OF THE REQUIREMENT FOR THE DEGREE OF
BACHELOR (HONS.) IN LIBRARY SCIENCE & INFORMATION MANAGEMENT**

**FACULTY OF INFORMATION MANAGEMENT
UNIVERSITI TEKNOLOGI MARA (UITM) KEDAH**

SEPTEMBER 2011- JANUARY 2012

ACKNOWLEDGEMENT.

Assalamualaikum....

Alhamdulillah, all the praises in this world belongs only to Allah S.W.T., thanks to Allah; I have finally been able to finish up Individual Assignment Sam .Sept 2011-Jan 2012 task given although through the time constraints and other circumstances. Here, firstly I would like to thank to Encik Azree Bin Ahmad as my lecturer for Research Project in Library and Information Science (IML 604) because he dedicated in teaching me about the complete and systematic research project. Through this assignment, I was a student's of Information Management is required to do research through online such as internet and meet the librarian & information officer of hospital libraries. For this purpose Encik Azree Bin Ahmad gives full support by exchange ideas, give comments, and opinion to make my report in orderly manner.

Furthermore, I would like to express to all friend because always stand behind us to give some tips and method. Then, I want to thank and give special appreciation to my family because contributing money to me. With that money, I can search information about case study which need to serve internet, binding, printing and buying paper. Finally, I will perform better and excellent in the next assignment. I hope Encik Azree Bin Ahmad can accept of my project about Medical Librarian in a Government Hospital - The Essentials of Knowledge and Skills with happiness and enjoy reading it.

Thank You.

Mohd Aidel Bin Abdul Majid (KIM 5 A)
