**LOKA**  
/LəW.Ké/ /'LO:.Ke/

**'Loka'** is a word borrowed from Sanskrit लोक (loká) which means 'world'. Since olden days, the Malay language has derived and adopted many languages into its own and Sanskrit is believed to be the root of the language.

## CONCEPT OF LOKA

Shadow puppet/ 'wayang kulit' has long existed in countries across the world. Each country possesses a background and styles of shadow puppets unique to themselves. Malaysia was one of said countries. However, our traditional shadow puppet is becoming extinct. Therefore, to bring it back, we modernised shadow puppet with bright colours and combine it with a paper-cut style.

## IMPROVING THE QUALITY OF HEALTHCARE BY AROMA ESSENTIAL OILS

by MUHAMMAD SYAFIQ BIN ABDUL RAZAK

Essential oils are compounds derived from plants, which catch the fragrance and taste of the plant, which is also called its "essence." This type of therapy uses a variety of permutations and combinations to alleviate many conditions such as depression, indigestion, headache, insomnia, muscle pain, breathing problems, skin problems, and swollen joints. Aromatherapy can be clinically and safely used as a supplement or as an alternative to conventional medicine. Hence, we want to raise awareness among the public about the use of essential oils and open their minds and perceptions to responsibility for health care.
