LOKA
/LəW.Ké/ /'LO:.Ke/

Loka is a word borrowed from Sanskrit लोक (loká) which means 'world'. Since olden days, the Malay language has derived and adopted many languages into its own and Sanskrit is believed to be the root of the language.

CONCEPT OF LOKA

Shadow puppet/ 'wayang kulit' has long existed in countries across the world. Each country possesses a background and styles of shadow puppets unique to themselves. Malaysia was one of said countries. However, our traditional shadow puppet is becoming extinct. Therefore, to bring it back, we modernised shadow puppet with bright colours and combine it with a paper-cut style.

HEROINE : SRIKANDI MELAYU MELAKA (FICTION)

by **NORAZRIN BINTI CHE ADNAN**

This project is based on novel 1515 by Faisal Tehrani, winner of the Utusan Group Literary Prize teen novel category in 2002. The fictional story took place in 1515 in relation to the 1511 Malacca story where it fell into the hands of the Portuguese.

The story comes with a twist on the Malacca history where Nyemah Mulya, a 15 years old girl who was born to be a Srikandi will be playing a big part in the development.
