LOKA
/LəW.Ké/ /'LO:.Ke/

Loka' is a word borrowed from Sanskrit लोक (loká) which means 'world'. Since olden days, the Malay language has derived and adopted many languages into its own and Sanskrit is believed to be the root of the language.

CONCEPT OF LOKA

Shadow puppet/ 'wayang kulit' has long existed in countries across the world. Each country possesses a background and styles of shadow puppets unique to themselves. Malaysia was one of said countries. However, our traditional shadow puppet is becoming extinct. Therefore, to bring it back, we modernised shadow puppet with bright colours and combine it with a paper-cut style.

MARINE LIFE

: THE EFFECT FROM THE PLASTIC POLLUTION

by ZULKHAIRI BIN ZULKIFLY

Healthy oceans and seas are essential to our existence. They cover 70 percent of our planet and we rely on them for food, energy, and water. Yet, we have managed to do tremendous damage to these precious resources. We must protect them by eliminating pollution and overfishing and immediately start to responsibly manage and protect all marine life around the world. The idea of creating an illustration in graffiti form is to attract the attention of citizens. An illustration is another way of giving awareness to the people that saw the graffiti.
