ABSTRACT

In this research, our group will investigate student's perceptions towards World Class University. By UiTM trying to achieve "World class University" recognition and status, what's come in the mind of students? What's there understood about the Word of "World Class"? And do they know what it is? We also try to identify what the need of University to become a World Class included facilities, services, students and lecturers. The measure the UiTM achievement and their action towards their mission are be highlighted.

CHAPTER 1

INTRODUCTION

1.0) INTRODUCTION OF THE STUDY

WORLD CLASS UNIVERSITY is very important to born an educated students with high quality. To become a World Class University is not easy. There are some elements that must be following first before the university can be a World Class University.

Professor Dato' Dr IR Mohd Zohadie bin Bardaei stated a several characteristic of World Class University is exceptional achievement of its facilities. This is give to the student who is always in the search of knowledge.

Beside that, to achieve a World Class University a students and professor must be free to pursue knowledge wherever it leads and to publish their work freely. And World Class University must also have advance facilities for academic works are essential to be most advanced and creative. Say Phillips G Altbach.

CHAPTER 2

LITERATURE REVIEW

2.0) INTRODUCTION

Nowadays every education institution in many countries are compete to become an excellence institution in international by create the world class university. They are try to show the best performance by doing an excellence research and successful of their students after graduate. Not easy to be a World Class University there is too many characteristic and challenges that must be fulfilled to achieve it.

2.1) CONCEPT OF WORLD CLASS UNIVERSITY

What is global education? Based on William Gaudelli is the Secondary Social Studies Program Coordinator at the University of Central Florida says that world class is a version of dissertation a review of the relevant professional literature on the curriculum of global studies and a participant observer study of global studies.

USTC president's Zhu Qingshi define World Class University as school whose alumni are well respected all over the world.

World Class University most of us wants to be the best that we can be at whatever it is we do, and faculty and university are no different. Since we live in global economy it makes sense to measure our abilities against the best the world has to offer. It is a World Class reputation attracts the best faculty and teaching.
