## *Nurturing Academic Connections: Universiti Teknologi MARA Pulau Pinang Malaysia Visit Universitas Negeri Malang Indonesia.*

By: Khairil Anuar Bahari, Sh Firdaus Sh Abdul Nasir (Dr.), Nony Aji Sunaryo, & Riana Normalasari

In a significant step towards fostering international academic collaboration, Universiti Teknologi MARA Pulau Pinang, Malaysia, embarked on a fruitful journey to Universitas Negeri Malang, Indonesia from September 13th to 16th, 2023. This visit aimed to promote educational exchanges, facilitate knowledge sharing, and enhance cooperation between the two esteemed institutions.

The Malaysian delegation comprised of two accomplished lecturers from Universiti Teknologi MARA Pulau Pinang: En Khairil Anuar bin Bahari and Dr, Sh Firdaus bin Sh Abdul Nasir. They joined forces with their Indonesian counterparts, Nony Sunaryo and Riana Normalasari, from Universitas Negeri Malang.

### Events Highlights

The primary objective of this visit was to establish a strong foundation for collaboration between the two universities. Both institutions recognized the potential for enriching their academic programs through joint efforts and knowledge sharing. The focus areas for discussion during this visit were culinary tourism and mechanical engineering, reflecting the strengths of both institutions in these fields.

### Engaging Activities:

1. Meet and Greet with Deans: The visit commenced with a warm welcome from Universitas Negeri Malang, where the Malaysian delegation met with the deans of various faculties. This laid the groundwork for meaningful discussions.

**2. Lectures to Students:** Lecturers from Universiti Teknologi MARA Malaysia engaged with students at Universitas Negeri Malang, sharing their expertise and insights. This direct interaction proved invaluable for students aspiring to excel in their chosen fields.

**3. Strategic Discussions:** Key discussions took place with the heads of the Culinary Study Program, and Mechanical Engineering Program, as well as the deans. Topics included collaboration on student mobility and exchange programs, lecturer exchanges, online teaching initiatives, research projects, and joint research efforts. These discussions set the stage for future cooperative endeavors.

**4. Signing the Implementation Agreement (IA):** A significant moment in the visit was the official signing of the Implementation Agreement (IA) by the deans and lecturers from Malaysia. This agreement solidified the commitment of both institutions to work collaboratively on the discussed initiatives.

**5. Exploring the Beauty of Kota Malang:** Amidst their academic pursuits, the Malaysian delegation also had the opportunity to explore the natural wonders of Negeri Malang. The visit included trips to Bromo Mountain, the picturesque Probolinggo Waterfall, Gunung Banyak Fun Forest, and the vibrant Batu City. These experiences not only enriched the cultural exchange but also showcased the region's captivating beauty.

This visit served as a testament to the dedication of both Universiti Teknologi MARA Pulau Pinang and Universiti Negeri Malang towards fostering global academic cooperation. The commitment to knowledge exchange, joint research endeavors, and cultural understanding promises a brighter future for students and academia in both Malaysia and Indonesia. As these two universities continue to strengthen their ties, the impact of this collaboration is sure to resonate in the halls of academia and beyond. Promoting cross-border learning and innovation in culinary tourism and mechanical engineering.
