By: Khairul Hidayat Rezo, Sperico Micheal, Mohd Azli Razali & Joesri Mohamad Saber

Community service is an activity of paramount importance in fostering a sense of unity among the community and the UiTM Cawangan Pulau Pinang residents. It nurtures a spirit of mutual respect and concern for the local community. Through community service, individuals apply their knowledge, skills, and civic values in a meaningful way.

On February 10, 2023, the Community Service and Knowledge Transfer Program (KTP) took place at the Laman Damain in Taman Pauh, Permatang Pauh. The event was organized by Garden Village Design Sdn. Bhd. (GVDSB) in collaboration with the Faculty of Hotel and Tourism Management, UiTM Cawangan Pulau Pinang where it was a resounding success.

The "Social Responsibility" program was inaugurated by YBhg. Dato' Azman Ibrahim, the Director of State Development (ICU) for Penang.

Together We Make It Great!!

This social responsibility program was divided into four sessions: a Cooking Demonstration by Chef Mohamad Azli Razali, a Barista Demonstration by Mr. Mohd Zool fadli Ibrahim, an explanation of the solar system for industry players by Associate Professor Ir. Dr. Nor Azlan Othman, and a session for distributing aid to deserving beneficiaries. A total of 10 beneficiaries, who were the cleaning and maintenance staff at UiTM, received assistance in the form of hampers and daily necessities.

UiTM Cawangan Pulau Pinang was represented by Associate Professor Ts. Dr. Kay Dora Abd Ghani, the Deputy Rector of Industry and Community Network (ICAN),

and Associate Professor Dr. Hashim Fadzil Ariffin, the Head of the Center of Studies. Meanwhile, GVDSB was represented by Mr. Suhaimi Ibrahim (CEO) and Mr. Hafiz Md Zaki (Manager). This program exemplified the commitment of UiTM Penang Branch and GVDSB to giving back to the community and creating meaningful connections between the institution and its surroundings. It was not just a demonstration of expertise but also a demonstration of compassion and social responsibility towards the local community. Such initiatives serve to strengthen the bonds between academia, industry, and society, ultimately benefiting all parties involved.
