Rector's Message

Prof. Dr. Roshima Haji Said

Rector

UiTM Kedah Branch

I am delighted to extend my heartfelt congratulations to the College of Creative Arts, UiTM Kedah Branch, for bringing MINDAREKA 2024 - Unleashing Your Visual Creativity to fruition. The triumphs of past MINDAREKA editions undoubtedly fueled the organization of this year's event, making MINDAREKA 2024 a reality.

MINDAREKA 2024 - Unleashing Your Visual Creativity stands as a testament to the dedication of students at the College of Creative Arts, UiTM Kedah Branch, providing them with a platform to showcase their final art projects. Beyond serving as a space for the exploration of fresh, innovative, and entrepreneurial concepts, this exhibition is poised to connect aspiring talents with potential clients and employers.

I extend my sincere gratitude to all participants whose enthusiasm and support have contributed to the success of MINDAREKA 2024 - Unleashing Your Visual Creativity. Their unwavering belief and commitment have truly brought this event to life, marking it as a resounding triumph!

"UiTM KEDAH SOARING FOR EXCELLENCE"

Head of College's Message

Dr. Nurul 'Ayn Ahmad Sayuti

Head of College of Creative Arts,
UiTM Kedah Branch

It fills me with immense joy to witness the extraordinary dedication of both the organizing team and students in ensuring the resounding success of this event. Our concern for the future of our students, particularly in navigating the complexities of the new normal, drives us to create a more vibrant and promising world for them. Thus, the significance of MINDAREKA 2024 - Unleashing Your Visual Creativity, orchestrated by our College of Creative Arts, UiTM Kedah Branch, cannot be overstated as it epitomizes our noble aspiration.

A heartfelt expression of gratitude is owed to our tireless organizing committee whose unwavering commitment, boundless energy, and meticulous attention to detail have been instrumental in realizing the objectives of this event. MINDAREKA 2024 - Unleashing Your Visual Creativity serves as a pivotal platform for all students, particularly those in their final year, to showcase their talents and skills. This platform not only fosters self-expression but also lays the groundwork for students to navigate their professional paths in the future.

I extend my sincerest congratulations and appreciation to the organizing committee, faculty staff, students, and all stakeholders whose collective efforts have ensured the resounding success and cherished memories of this event. To the students, your dedication and hard work are commendable, and as you embark on this new chapter in life, I wish you the very best. May you embrace the opportunities that lie ahead with courage and determination. Best of luck to each of you.

“ECHO BIN” Hydroponic Compost Bin

Design Advisor :

Mr. Mohd Hamidi Adha Mohd Amin
Mr. Muhammad Amin Syazani Helmi

Abstract

Designing the "ECHO BIN" is a deliberate effort to revolutionize sustainable living in an urban environment. This innovative kitchen compost bin is carefully designed to address the challenges of compact space while seamlessly integrating gardening elements. The design objective focused on creating a portable compost bin with an odor control mechanism and a unique ability to support small-scale vegetable cultivation directly on the bin. By prioritizing the use of space, the research aims to meet the needs of urban families living in confined housing areas. ECHO BIN stands out with its user-friendly approach and low-maintenance design, offering a hassle-free experience for busy individuals. Aimed at the urban family market, this compost bin redefines the traditional composting process by incorporating the practical features of growing in a bin. Embrace the ECHO BIN for a simple, sustainable and space-efficient solution that brings the joy of indoor gardening to the heart of the urban home. Cultivate a green lifestyle easily with this purpose-built composting innovation.
