## ABSTRACT

This industrial training report is based on the industrial training period from 02 February 2018 to 29 June 2018 at PETRONAS Resource Centre, a corporate library for Petroleum Nasional Berhad (PETRONAS). The contents are per required in internship guidelines prepared by Faculty of Information Management. The overall topics discussed are organization information, organization structure, training activities and special projects, knowledge, skills and experience applied throughout the internship, lesson learnt, personal thoughts and opinion as well as limitations and recommendations.

**Keywords:** *library management, library science, corporate library, internship, PETRONAS, PETRONAS Resource Centre, Education and Learning, UiTM, information management.*

## ACKNOWLEDGEMENT

I would like to thank all the people who made this internship possible and an unforgettable experience for me.

First of all, I would like to express my deepest sense of gratitude to my internship coordinator at Information Management Faculty, UiTM Rembau campus, Mr. Mohd Faizal Bin Mohd Ramzi who offered his continuous advice and encouragement throughout the course.

I wish to thank all the workers from PETRONAS Resource Centre, especially the Senior Manager/Chief Librarian of PETRONAS Resource Centre, Mrs. Norhayati Binti Abdul Malek, Head of Information References and Resources, Mrs. Fatimah Syam Binti Abdul Ghani and Head of Resource Development and Organisation, Mr Ibrahim Bin Hj Mohamed for receiving me willingly, for the availability and showmanship demonstrated throughout the internship period.

In particular, I would like to thank Mrs. Nur Amirah Binti Halim, the organization supervisor, who gave me the continuous support, encouragement and trust during the whole internship.

I would like to express my very sincere gratitude to my faculty supervisor, Dr. Dang Merduwati Binti Hashim for the absolute support, the systematic guidance and great effort she put to make this internship report possible.

Last but not least, not to forget my parents, friends, IM244 classmates and my working partners who gave me the supports towards the completion of this internship. Thank you very much for the wonderful hands.
