## **ABSTRACT**

This research has been conducted to identify the relationship between communication apprehension and job satisfaction at Pejabat Pembangunan Persekutuan Negeri Pahang. This research has three research questions which are the most and least components of communication apprehension that experience by employees at Pejabat Pembangunan Persekutuan Negeri Pahang and significant relationship between four component of communication apprehension and the job satisfaction among employees at Pejabat Pembangunan Persekutuan Negeri Pahang. The scopes of this research are focused on 60 number of population. The sample sizes taken are 52 people as referred to the sample size for a given population by Krejcie and Morgan (1970). The sampling technique used is simple random sampling. The research findings can be concluded that there is positive relationship between four components communication apprehension and job satisfaction at Pejabat Pembangunan Persekutuan Negeri Pahang. This indicates that employees in that organization suffer communication apprehension that has to do with their job satisfaction.

Keywords: Communication apprehension, job satisfaction, group, meeting, public, discussions.

**ACKNOWLEDGEMENT** 

IN THE NAME OF ALLAH, THE MOST GRACIOUS AND THE MOST MERCIFUL.

Alhamdulillah, I am very thankful and grateful to the Al-Mighty for granting me the strength and

ability to complete this project.

First and foremost, I would like to take this occasion to express my appreciation to my supervisor,

Puan Mas'udah Binti Asmui for all her guidance, trust, ideas and constant support through the running of

this research. The way she sacrificed her precious time for assisting me to complete this research. I also want

to thank her for giving me the opportunity under her supervision.

My appreciation also goes to Encik Amli bin Abdullah @ Baharum, my lecturer for Research

Methods (ASM 662) subject for his guidance in the previous and current semester. I may not be able to

complete this research without his assistance.

I also would like to say thank you to Puan Nik Fatisrabina binti Nik Ismail for willingly accept me to

be under her supervision and for being such kind hearted and supportive supervisor during my Industrial

Training for approximately three months.

Thank you.
