ACKNOWLEDGEMENT

First of all, I would like to thank to Allah SWT, because with His mercy I am able to complete my project paper to fulfill the requirement of the Research Methods course.

The special thank goes to my beloved Mrs. Siti Farah Suraya Bt Mohd Hashim as my supervisor because she has given a lot of advice, information and time to me for completing the project paper. The supervision and support that she gave truly help the progression and smoothness of the project.

Other than that, I also thanks to my friend, Syaidatul Alia Bt Dzulkefly because she always helped me for completing this project.

Last but not least, I would like to express my gratitude towards my parents for their kind cooperation and encouragement which help me in completion of this project paper.

Noor Fasihah Bt Jamak (2011276504)
