## **ACKNOWLEDGEMENT**

Assalamualaikum w.r.t. In the name of ALLAH, the most gracious and the most merciful to Prophet Muhammad S.A.W. Alhamdulillah with Selawat and Salam, I wish to thank to ALLAH S.W.T for blessing me all this time with His mercy for my health, life and strength. With ALLAH help and permission, a lot of commitment and self-confidence in doing this research, I was granted a chance to achieve this final year thesis. As always, it would not have been possible without other people's kind assistance and help. I would like to extend my sincere thanks to all of them.

First and foremost, I would like to express my gratitude and appreciation to my advisor, Mr. Mohd Zailani Othman, for his exceptional guidance and advice throughout the completion of this project. He has been providing with necessary information regarding the direction and any possible error could have come out of the project. His wide knowledge, experiences, ideas, and time have been great value for me.

Last but not least, I would like to express gratitude to all friends and respondent for support and willingness to spend more time. Their supports either directly or indirectly have helped a lot in completing this project with possible success.

## **ABSTRACT**

This research paper aim to critically define the factors influencing internship satisfaction among students in UiTM Melacca City Campus. The aims of this study are to determine the relationship of Perceived Organizational Support, Perceived Supervisor Support, and Perceived Co-worker Support towards Internship Satisfaction among the final year students (Mac-Sep 2020 Semester) in UiTM Melacca City Campus. Correlational study was used in this research to describe the relationship among the variables. Questionnaire is used as the instrument to gather data. By conducting this study, it can give clear overview and the result shows that the issues on Perceived Organizational Support, Perceived Supervisor Support, and Perceived Co-worker Support are significantly positive correlated with the internship satisfaction.
