UNIVERSITI TEKNOLOGI MARA

IND515: DESIGN SEMINAR

Course Name (English)	DESIGN SEMINAR `APPROVED`
Course Code	IND515

MQF Credit	2

Course Description	The course focuses on looking into current and future design issues and problems. Discussion and brainstorming sessions are carried out in groups and final decisions are established based on collective research and analysis. Theories to solutions are then presented in a seminar approach where the power of convincing is being tested through good public speaking technique and effective presentation.

Transferable Skills	Directed Research

Teaching Methodologies	Lectures, Tutorial, Discussion, Presentation, Debates, Small Group Sessions
